

Early Educator: Saba Chaudhry

Date of Inspection: 20 September 2022

Registration Inspection Report

Taking ideas from the Montessori and Regio Emilio approaches to learning, Saba guarantees to offer a brilliant and exciting curriculum that will inspire your child to develop their independence and confidence. Being a mother of two (and growing surrounded by a large family) Saba has been caring for children her whole life, and finally feels ready to open her home to help the local community with their childcare needs. In a previous role, Saba was a Dietitian so fully understands the need to offer a healthy and nutritious menu to all children to help them grow and develop!

Growing up in Germany, Saba has fond childhood memories of her forest school education and she cannot wait to develop this passion with the children in her care. Outdoor learning is a must with Saba so please come prepared with wellies, a raincoat ... and that 'can do' attitude needed for daily adventures.
