Registration Inspection Report

Marie is a loving Early Educator with over 10 years' experience of working with children. She is an incredibly organised and reliable person with a clear passion and enthusiasm for caring for children and helping them achieve their full potential. She has many exciting and interesting activities planned that are designed to challenge children and encourage them to question and think 'outside of the box'. She is a real advocate for outdoor learning and will ensure children spend time enjoying fresh air, each day – regardless of the weather! Following a morning (and afternoon) packed with activities, Marie will offer all children a range of home-made meals that are both healthy and nutritious! Marie understands the importance of supporting all children, including those with EAL, and she will work tirelessly with parents to ensure all children feel safe, secure and supported in her setting.
