Registration Inspection Report

With many local parks, museums and local attractions (including London Zoo) within easy reach, Flutura offers the perfect Home Nursery for all of those little explorers! From her beautiful family apartment, Flutura plans to work with local families and will offer a plethora of exciting learning opportunities and activities. Children will be encouraged to choose their own snacks and activities to allow independence to develop from a young age! Every day, Flutura will strive to ensure children in her care feel loved and nurtured whilst encouraging them to play and explore in a safe and happy environment. Previously a Neonatal Nurse, Flutura's passion for working with children is evident and her mantra of allowing children to 'Learn through Play and Curiosity' will be a key feature at her setting.
