

Early Educator: Carlene Anglim

Date of Inspection: 22/3/2023

Registration Inspection Report

Carlene is a warm, fun and sensitive person. Her home is well organised and resourced and she has a strong knowledge of the EYFS and what that looks like in practice. Her nursing background gives her further experience of nurturing and caring whilst giving children the best experiences from a young age. The learning environment has direct access to a garden which will be full of interesting artefacts and resources with a big focus on Forest School and all that it has to offer, presently initially through planting and growing vegetables. Carlene is also an accomplished musician and early years music teacher so offers all things creative in her home nursery setting. She plays the violin, banjo and piano and is keen to include music and dance on a daily basis into the overall flexible planning. Carlene has a great sense of fun and is really looking forward to welcoming children along with her pet dog Dexter into her home nursery which is 5 minute's walk from the beach and sea.
