

Early Educator: Susan Badero

Date of Inspection: 30/3/23

Registration Inspection Report

Susan is very much looking forward to her role as an Early Educator. She has a lovely positive energy, is calm and works hard to remain updated with EYFS information in order to plan rich and interesting experiences for all. She has a strong vision for what she would like to achieve. Susan has direct access to her extended garden area, and she has many plans to make the days with the children in her care both indoors and out, as much fun and as interesting as possible. She will support children to be independent and curious learners and is looking forward to working collaboratively with parents and carers recognising the importance of creating and maintaining strong partnership links. Susan and her young child are both looking forward to welcoming additional children into their home.
