

Early Educator: Ednilza Santos

Date of Inspection: 17/05/2023

Registration Inspection Report

Ednilza is a friendly and hardworking Early Educator who is excited to welcome local families and children into her care. She prides herself on working with parents and understands the importance of offering a strong settling-in process that ensures every parent can relax, safe with the knowledge that their child is safe and happy. Being a mother to her 3-year-old son, Ednilza understands how hard it can be to find the right childcare for each individual family; therefore, she will work extremely flexibly to meet those needs in her local area. Each morning, children will be offered activities in Ednilza's living room before they venture out to local parks and shops for the day's adventures and explorations!
